

Belcourt Brosseau Métis Awards Celebration 2017 / Sponsorship Opportunity

On behalf of the Belcourt Brosseau Métis Awards Panel I am asking your financial support for our annual "Creating Possibilities" gathering. Each year our generous sponsors have collectively provided their sponsorship to support costs such as; transportation and accommodations for out of town students and families, Dinner, Sash Ceremony and cultural performances.

The celebration will held at Ramada Inn and Conference Centre on September 23th, 2017 beginning with a networking reception. The celebration continues to grow each year, with approximately 500 guests expected to attend this gathering including award recipients, alumni, Founders, Elders, dignitaries, corporate sponsors and endowment donors.

Since 2001, the Belcourt Brosseau Métis Awards have provided more than \$5.8 million to over 900 Métis learners engaged in post-secondary education throughout Alberta. We take pride in the success of our past recipients who are enjoying careers in their chosen fields within your organization.

The event provides an excellent opportunity for nurturing the network of students, potential employees and customers in a culturally enriching forum. In addition to being recognized as a supporter of post-secondary education, a corporate table will be reserved with your logo displayed and recipients will be seated with sponsors.

I will be following up with you to discuss this sponsorship opportunity, and be contacted at 780-977-5515 or by email communications@bbma.ca.

We look forward to you joining Founders Dr. Herb Belcourt, Georges Brosseau Q.C. and Orval Belcourt as they celebrate the achievements of the recipients.

Sincerely,

Theresa Majeran
